## YOUR PLANNING OBJECTIVES

Please identify the reasons you are considering planning or areas you would like to learn more about (select as many as you wish):

### Preserve and Maximize Assets

- By minimizing taxes during your life (income taxes, capital gains taxes, estate taxes on inheritances you expect to receive)
- By minimizing or eliminating estate taxes upon your death (up to 40% of your assets and life insurance benefits)
- By reducing estate administration costs through probate avoidance
- Avoid or limit Medicaid claims on your assets should you require long-term care
- Ensure that a special needs beneficiary has assets that are protected from government seizure while retaining eligibility for needed services
- Ensure that your family has enough life insurance to provide a comfortable lifestyle no matter what
- By ensuring that your assets are passed to your descendants and not given away to outsiders, such as spouses, creditors or the government

### Protect Yourself and Your Spouse

- From malpractice or other creditor claims
- From conservatorship proceedings (aka "living probate") if you or your partner become incapacitated
- From probate delays and stress upon your death or the death of your partner
- From hospital policies requiring life sustaining procedures when you would rather not endure them
- From healthcare decisions made by people other than those you trust most

### Protect Your Children or other Beneficiaries ....

- From predators who can discover inheritance amounts and target young or vulnerable beneficiaries
- From claims of divorced spouses to take half of your child or beneficiary's inheritance
- From malpractice claims, for beneficiaries in the professions
- From other creditors' claims (such as car accident plaintiffs)
- From the stress and delays of the average 8-12-month process of probate
- From the financial immaturity resulting in a quick loss of an inheritance
- From sharing assets with heirs you would rather disinherit
- From litigation claims by disinherited heirs
- For parents only:* from relatives who would be poor, abusive or even dangerous guardians or from foster care
- For parents only:* from acquaintances and relatives who should not be allowed to be alone with your children
- For special needs beneficiary only:* from neglect in the government care system

Achieve your Dreams

- Have clarity about your life purpose, goals and dreams
- Benefit a charitable organization or activity
- Support a common family goal through coordinated planning
- For parents only:* By providing guidelines for how your children should be supported while their assets are in trust.
- For special needs beneficiaries only:* By providing instructions, people, and assets to support your special needs beneficiaries above a poverty lifestyle
- For business owners only:* By providing for the orderly continuation and transfer of family business interests rather than a distress sale
